Taken from letter, A. C., November 20th, 1899.

"I agreed to allow Mrs. Morris, East Liverpool, the interest she lost by having to withdraw $3,000 from her account. It appears a person fell down a hole in front of her house and the authorities made her pay $3,000, and I wish to make good the loss of interest on that amount."

Interest paid on the entire $6000.00 to Dec 31st 1899.

Died February 15th 1902 67 Months

Dear Sir:

Referring to your letter of October 7th:- I have conferred with Mr.Carnegie with regard to your note for £7000 which he holds,and it will be entirely satisfactory to him for you to make annual payments of £500 or £1000 on this account,as you suggest, but he does not wish you to inconvenience yourself in the least in order to make such payments.

With regard to interest, would say that Mr. Carnegie desires to waive all interest payments on this loan.

I have a thorough understanding of Mr.Carnegie's wishes in this matter, and shall see that they are carefully carried out, but in order to make the conditions entirely satisfactory to you, and to assure you that the above statements are confirmed by Mr.Carnegie, I have asked him to approve this letter below.

Very truly yours,

LIST OF

DEATH L... A DAY.

Morris M. Estee.

HONOLULU, Oct. 27.—United States District Judge Morris M. Estee died here this morning of prostration, following an operation performed two days ago for kidney trouble.

Judge Estee was one of the leading lawyers of California, and was twice Republican candidate for United States Senator, and twice ran for the Governorship of California.

He was born on Nov. 23, 1833, at Freehold, Penn., and went to California as a miner. He began to study law about 1854, being admitted to the bar two years later.

Soon after that he was elected District Attorney of Sacramento, and in 1866 he went to the State Assembly from that place. A few years later, having in the meanwhile removed to San Francisco, he went to the Assembly again and became Speaker of the House. About the same time he published the well-known "Estee's Practice and Forms." In 1889 he was a member of the Pan-American Congress.
